CARE & SHARE

Think of a project your family can do to serve others. Does someone in your neighborhood need help weeding a flower bed? Is there an older couple who need groceries bought and delivered to their home? Do you have fresh vegetables you can pick from your garden and share with others? Remember that we can serve God by serving others.

Read what Joshua did in Joshua 24:25-27. Take a family hike and try to find a large stone you can take home. Provide paint and paintbrushes or permanent-ink markers. Encourage family members to write on the stone ways your family can serve God. Display the stone where your family will be reminded to serve God. (If you can't find an actual stone, stuff a large paper bag with newspaper. Seal it with masking tape and paint it brown or gray to look like stone.)
