### Colors of a Rainbow

Fill four clear jars with water. Add a different color of food coloring in three of the jars while your child watches. Have your child name the colors or you name them. In the last jar, add a drop of each color. Say, "Look at the pretty colors mixing together. That's like rainbows God gives us!"

### Fun with Dough

Let your child have fun with some modeling dough. Show him how to roll the dough into long ropes. Make long ropes from a few different colors and put them together to form a rainbow. Say, "Look. There's a rainbow! God puts rainbows in the sky. God put a rainbow in the sky for Noah."
